SWISS FILMS Switzerland

EFP (European Film Promotion) is the international network of the national film promotion agencies from 37 countries throughout Europe, representing their national films and talent abroad.

Under the EFP flag, these member organisations come together to jointly promote the diversity and spirit of European cinema at key film festivals and markets worldwide, in particular outside of Europe.

The EUROPE! Hub at TIFF 2025 is made possible thanks to the support from the Creative Europe MEDIA Programme of the European Union and Eurimages, as well as from the participating national film promotion agencies, EFP's member organisations: Croatian Audiovisual Centre, Czech Film Center, Flanders Image/Belgium, German Films, Polish Film Institute, Screen Ireland, SEE NL/The Netherlands, SWISS FILMS, and The Five Nordics: Danish Film Institute, Finnish Film Foundation, Icelandic Film Centre, Norwegian Film Institute, Swedish Film Institute.
